

MORTGAGE DISCHARGE (ELIMINATION) PROCESS APPLICATION

Please fill out the questions with as many relevant details. You can hand-write (neatly) or you can re-type up the answers to these questions on your own form.

1. Please list the properties that you have, their address, and approximate Value:

2. What is the Mortgage Balance(s)?

Are there any other borrowers/signors on the mortgage loan?

3. Are you Current or Behind on the monthly payments? How much behind?

4. What is your approximate monthly household income?

How many sources of income do you (and the other borrower) have? If so, from which sources?
Do you collect rent-roll from these properties? How much?

5. Do you have either positive cash flow (means that you save money each month), or a negative cash flow (living on debt/credit cards)? How much exactly is your positive or negative cash flow?

6. How is your personal credit score right now? How is the other borrowers personal score?

7. Can you provide proof of income, in order to obtain a loan?

8. Do you have any "other" income? Trust money, social security, unreported income, etc?

9. During the process, there is quite a bit of paperwork, notarizing and express mailing documents around. Do you have a scanner, printer, copier at home and/or at work? Do you know how to use it?

10. Please describe what you do for a living?

11. Do you have any other charitable goals, or passions?

12. Are you a vegetarian? Why or Why Not?

13. If we select your case and help you discharge your mortgage entirely, please list the ways that you will give back, the charities that you plan on donating to, or the ways you will make the world a better place?

14. Would you be willing to pay a fee of 10% to our company and 10% to our not for profit charity upon the successful discharging of the loan(s)? *(A total of twenty percent of the mortgage discharged – payable via money you have saved up, or you can take out a small HELOC mortgage of just 20% in order to pay the fee; or you can sell the house and pay us after the sale)*
Please say Y/N or maybe and describe your thoughts here:

15. After the program works out for you, would you be interested in joining our affiliate program to make additional income referring people to our business?

16. How did you find out about us? What else about us/our website do you support and/or are interested in?

17. If a partial mortgage reduction of say 30% - 50% is much more easy to obtain and much quicker, would you be open to this option instead of a full mortgage discharge?

18. Please either list or describe the other debt strategy process(es) that you have done?

19. Depending on the season and flow of new clients, there may be a waiting list to get the paperwork started. How long can you wait to get the process started? Do you have any deadlines like foreclosure hearings/etc ?
