

# JUDGMENT MONETIZATION CRITERIA

**\*MUST HAVE FULLY FILLED OUT ACCOMPLISHED ALL BEFORE CONTACTING US\***

☐ Judgment Is In a REAL Court with a REAL Court Seal on it, No Sovereign Courts or Notary Protest Processes; Case is Closed and NOT on Appeal and Timeframe for Appeal Has Expired

☐ Judgment Is at least \$1,500,000; (the higher the better and the larger the commission)

Estimated projected commissions\* for Tier 1 Affiliates (directly under Tyler) are as follows:

Your Estimated commission on \$1,500,000 = \$38,000	Your Estimated commission on \$10,000,000 = \$202,666
Your Estimated commission on \$2,000,000 = \$50,667	Your Estimated commission on \$100,000,000 = \$2,026,666
Your Estimated commission on \$5,000,000 = \$101,333	Your Estimated commission on \$1,000,000,000 = \$20,266,666

*\*Commissions are split amongst all parties involved evenly, exact amount depends on what the bank buys the judgment for and how they intent to pay it (lump sum or monthly payment).*

☐ Judgment Amount Is \$\_\_\_\_\_ as of \_\_\_\_\_ (date) with \_\_\_\_% interest, which as of today's date is a total of approx. \$\_\_\_\_\_

☐ Judgment is NOT Expired (7 or 10 years, check state by state and by type of judgment, simple google search the answer or use justanswers.com); Judgment Expiration Date is \_\_\_\_\_  
(If within 6 Months of Expiration, you need to have the Creditor Renew the Judgment)

☐ You got a hold of the Judgment Creditor or their Attorney, and they have a Positive Response

☐ You or a Good Presenter gave Presentation Discussing the Three Scenario's :

- ☐ You sell your Judgment to us for small percentage (2-5-10%) the face value (Not Right Now Due to Limited Capital)
- ☐ You Become an SPC, submit it for an offer, the market value is 38% of face value now, then we take out a 20 or 30% commission, then you get a Contract with the bank for 48 weeks, to collect interest at (currently) 9% , with lifetime potential option to renew at prevailing international interest rates (way higher than U.S. savings accounts of 0.9%)
- ☐ If you do not understand/wish to become an SPC, then you can Assign/Sell the Judgment to one of us who is an SPC, we will do the transaction, and you will be paid 1/2 of the total commission (on 20% it would be 10% of the 38% of face value – ex: \$57,000 on \$1.5m; winds up being 3.8% of face value. On 30% commission, half would be 15% equaling \$85,500 equaling 5.7%)

**NOTICE: DO NOT RETURN THIS PAGE TO ME THIS IS JUST EXTRA NOTES FOR YOU.**

IF YOU ARE A **TIER 2 AFFILIATE**, RECRUITED BY SOMEBODY ELSE, OR AN ATTORNEY OR RECRUIT AN ATTORNEY FOR TRANSACTION, THEN YOU HAVE TO KEEP IN MIND THAT THE ESTIMATED PROJECTED COMMISSION AMOUNTS MUST BE SPLIT AMONG THE TIER 2 AFFILIATE, AND THE ATTORNEY WHO REFERRED THE CLIENT.

RECRUITING THE ATTORNEY FOR THE CLIENT IS SHORT-TERM LEAVING LESS PIECE OF THE COMMISSION PIE, BECAUSE WE HAVE TO CUT HIM IN ON THE DEAL TOO. HOWEVER, OVER THE LONG-TERM, IF YOU FIND AN ATTORNEY WHO GETS PAID FROM THIS AND LIKES THE COMMISSIONS, THEN HE WILL JUST HAND OVER MORE UNCOLLECTED JUDGMENTS CASES TO US FROM HIS FILES, HIS FIRMS FILES, HIS PARTNERS FILES, AND HIS OTHER ATTORNEY-FRIENDS' FILES.

BELOW IS AN TIER 2 SUBMISSION SHEET THAT YOU CAN USE AS A SAMPLE, TO HAVE YOUR AFFILAITE TO SEND SUBMISSIONS TO YOU. YOU CAN CHOOSE HOW MUCH YOU WANT TO PAY THEM , AND YOU INSERT YOUR NAME AND CONTACT INFO **IN THE RED SECTIONS.**
