This is ideal for someone who desires their SPC status to be done for them as quickly as possible, in as little as 2 weeks, and it will all be done correct the first time!! You will sign, notarize, and mail – or pay extra to grant us Power of Attorney (reserved only for those with poor vision, VERY technically disabled, or in prison).*

Price: \$1500 – you sign, you notarize, and You FULLY Learn By Doing – Most Recommended

Price: \$2100 (\$1500 cost, plus \$600 cash in separate envelope for the Power of Attorney/notary/mailling fees/postal trips, included version.)

****The Status Correction Course** is a lifetime membership and will train you on how to live every aspect of your life as a Sovereign, like how to deal with employment and taxes, how to record your newborn's nativity not using a birth certificate, using businesses not your STRAWMAN for operating in commerce, how to get an American National passport, how to travel, how to be “Invisible”, how to delete your Strawman and Social # all together, and also we break down every document in the SPC paperwork and explain every detail so that you learn. Ideal for someone NOT READY to become an SPC just wanting to learn it first!!! This is not available ANYWHERE ELSE!? This curriculum includes a self-assessment test you can do at the end...and we will always add more content to it. Your fee includes a Lifetime membership, so far it's 35 hours of video training but we are always adding more every month. All document templates for each topic are provided as well. You can learn to do your own SPC and also do it for others and get paid. Later in the year the price for this package will definitely increase. **\$1500 payment***

PRICING DETAILS:

These *Power of Attorney fees Of \$600 **must always** be in CASH only so we can dispense them easily to those doing the errands like paying the notaries, gasoline in car for trips, and paying the post office for your mailings which we do in cash only.*

HOW TO INSURE YOUR PAYMENT IS A SURE THING:

- *Protect the cash from possible weather/moisture damage by sealing tightly in ziplock bag inside envelope.
- *If envelope gets lost with cash, we will still consider you “Paid in Full” and assume all risk, as long as you have receipt proving you properly addressed to us an envelope with USPS or Fedex Tracking showing such.
- *It is easier for us to dispense our money to our workers in cash, so this is why we prefer it.
- *If you are uneasy about sending cash, send partial payment first and then 2 weeks into it as you see your work being done, send the rest. Or just send money order option.

5. PUT THE APPLICATION ALONG WITH YOUR PAYMENT IN A SAFE PROTECTED SECURE ENVELOPE WITH TRACKING

- *We Suggest Using Either:** A) PRIORITY MAIL FLAT RATE AT POST OFFICE,
OR B) FEDEX 2 OR 3 DAY (Some FedEx Locations are open 24 hrs)

Please make sure there is no signature required.

6. PROVIDE YOUR TRACKING NUMBER to either Ava, Stella, or Mark (whoever you spoke with on the phone last) via Text/Email/Call – ON THE SAME DAY that you mailed it off. You can text 877-891-8384 and/or email Filings@understandcontractlawandyouwin.com This will get you started immediately. We only check our mailbox once a week as we are very busy. Tracking number means we get started right away.
