[this section contains 11 Video Narrations by Tyler of UCL, totaling 10 Hours and 20 minutes total; plus court documents, lessons, and study files, and Quiet Title Complaints that you can "grab and use", as well as the life lessons cautioning you what you are in for, and what you are up against, is very tough to win, providing 2 Wins and 3 LOSSSES, so you can learn from them yourself and do a better job then they did. This section is 107 files and 2.6 Gigabytes of data.

This section contains FIVE real world case studies, in Florida, Pennsylvania, and Maine. You can look up the cases to verify yourself. These cases took 3 to 6 years to play out. You will be able to see all the drama played out in court back-and-forth, trimmed down simply in a nutshell by yours truly, Tyler.

Includes three different Quiet Title Complaints for you to take and use for yourself, edit to your whim, and use. Also includes one Step-by-step Commercial Lien tutorial product, as well as the other Study and Learn files including all of the relevant case files. FIVE real cases where you can read every significant document minus the irrelevant minuta (*such as rescheduling hearing dates, change of attorneys, etc*); so that you can learn fully what's involved in dealing with Foreclosures and Mortgages. Warning – MANY OF YOU will agree that it's "Not Worth It" ?! Others will believe it "IS" worth it - at least you have the FACTS and proof of real world cases, to decide for yourself before engaging!!!
