Content is organized by Topics/Folders for easy access to topics/areas that interest you first, as follows:

### **SECTION ONE: EYP: FEATURED CONTENT**

684 total items totaling 9.4 GB

Includes **39 Video Lessons/Tutorials**,

And 28 Main Folder Topics including but not limited to:

1. “Ineffective Processes” which is Tyler’s favorite, a list of (and description of) 75 different debt/redemption/ get rich FAILED processes, some with more detail than others, but in time, we will fill out all the detail and proof we have for all of them.
2. Challenge Jurisdiction study information, including Court appearance training video, history, laws, etc., including what to do when arrested and attempted to be booked
3. How to Open a Bank Account on behalf of a Trust
4. Debt Collector/Bank scare tactics – calling out their “Bluff” or when to take seriously
5. Total of 110 files on fighting back against debt collectors and Credit Card lawsuits, specifically
6. How to apply or renew your Strawman/Trust’s Drivers License as a Secured Party Creditor
7. Learn to Establish as many other Trusts as you will, without paying anybody for them. “Teach a man to fish” lessons
8. Recorded Webinars on Status and Standing, the history of Trusts and the Strawman, Trust Law, Money and Securitization, and Defenses that actually work
9. How to put your Home, or any Real Property/Real Estate, or Land/Parcel, into a Trust or other Entity rather than your own personal name – from day 1, or how to transfer it once it’s already in your name. Exact county recording forms included. UCC3 included.
10. A dissection and critique of some of the Creditor/Commerce/strawman/redemption/patriot/ucc/OID remedy ebooks , which ones in my opinion are totally off the mark
11. A section on Mortgage and Foreclosure remedies attempted by others, totaling 11 Video Narrations by Tyler; totaling 10 Hours and 20 minutes (JUST ON MORTGAGE), 107 files, including Quiet Title complaints others have used. Also shows you most of the “bank never loaned me money” arguments do not produce wins.
12. Commercial Lien process for filing a UCC-1 Commercial Lien on Real Estate, to help protect against foreclosure
13. Study guide, question answer, self-test, and lessons to help you learn the info in the Mortgage/foreclosure video lessons.
14. Apply for a Passport as an SPC – either thru your TRUST; or thru the State Citizen/State National but NOT A U.S. CITIZEN. No social security number given.

15. A section with a full lesson, and video tutorial, as well as templates you can use, as Alternatives to Birth Certificates, for newborn/expected kids, grandkids, nieces/nephews, or to share with the world. This enables those children to be “Sovereign from Day 1” for their whole life.

15. A collection of over a dozen additional Trust documents, to add to your existing Trust when the documentation is so needed, for variety of the Trust’s changes, or decisions. As well as teaching YOU the components of a Trust Declaration again to help you in learning this stuff alone, having the copy and paste templates so you no longer need to rely on others to create a trust for you, nor would you need to rely on others to add additional documents to keep your trust active and/or valid, in any event including death of a trustee, removal of a trustee, and so forth.

16. A collection of 15 files, to help show you that no Social Security number is needed, for any reason what so ever, not to work, not to live, not to get a Passport, etc. Many files are from the Social Security Commissioner with official signature and letterhead, as well as more, to help you in your goals of banking, working, and living without a SSN. At least one notable court case decision provided as well (others to be added).

17. Proofs of Discharges, in a video narration on what happens when something gets discharged.

18. At least 9 recorded UCL conference calls or conversations on variety of subjects and topics.

19. My take on the Right to Travel arguments, video (Part 2 to come soon), showing you what is actually possible in the real world, and what is risky/dangerous. There’s a lot you can get away with, but some things like driving without a drivers license, that for most people in most situations, you can not get away with just by being an SPC. Full run down to be explained here.

20. State National but not a US Citizen, passport, video lesson, supporting laws, detail on US passport forms pointed out and explained, how to fill one in as an SPC – BOTH methods explained.

21. Files and info provided on taxes for Trusts, resource list, tax forms provided and gone over, so you can review and see what’s involved and what is different that a Trust needs to do, to file a tax return and when it’s needed or isn’t.

22. Submission or substitution of W4 and W9 forms as a TRUST, and some support files and lesson in case it’s Rejected. What are your options?

23. Put together your own W8-BEN form, for Non-Resident Aliens foreign to the United States. Forms, example/template provided, with video lesson. There are Two different types of W8 forms our members use – one for the TRUST, one for the Human being.

24. The “World Passport” demystified. Do you really need it? When could you need it or be eligible to use it? When does it work? Where is it recognized? How to fill out application to obtain it and where do you send it?

## **SECTION TWO: EYP - TEMPLATE AND STUDY FAVORITES**

122 total items totaling 492 MB

Includes 6 Conference Call recordings, & more of our preferred files for you to study with more attention to.

## **SECTION THREE: EYP - STUDY LIBRARY**

792 total items totaling 3.3 GB

Includes 52 different Folder Topics, & more..., this is a generic library where we compile everything else, you can dig for gems and gold in here yourself, but within this folder, we for the most part do not pick apart with video lessons, there is great stuff in here, but many many folders of niche areas you may need, find helpful, and always able to learn from if you choose that topic. In time, some of the material here will be expounded upon and certain videos will be made emphasizing certain sections as well.

**KEEP IN MIND –** For the convenience of all User’s able to open and review/study/print all of the document files in this Library, I have made 2 versions of every document file. For example, if a document

is in a WORD, I also provide a duplicate as a PDF file as well. This is to ensure you have 2 different ways to open the file with different programs. Some people in the past had computer issues, or did not have the right program to open and review the file, others had a different program that slightly changes the margins and thus page size of certain WORD files, thus crunching the words into the extra page, etc. The best way to view the file is by opening the PDF, however the word version is also provided, so that you can easily edit and adjust as needed, for your personalization and uses. However keep in mind, based upon your system and program and it's settings, a file may fit to a slightly different size or number of pages, therefore please aware of this and use the PDF whenever possible. Others files also had been corrupted so we provide a second copy so that you don't have to ask me if a file is corrupted until you try to view the second file as well. I am always trying to improve and make things better, even if you have any kinks, please let me know and I will (eventually) fix the problem.

**DOWNLOADS.** Client will be sent a temporary unique link to download and access the files through their email, which will expire within a few days.
